Venue Parking

Those arriving by car will be asked to use the stadium parking lot in J-Village.
We will allow two cars per team. From the parking lot to the J-Village central roundabout, microbuses departing from the temporary parking lot will be available. (5 minutes by bus)

Venue Shuttle Bus and Microbus Departure and Arrival Locations

As it is not possible to directly enter the venue, the buses will depart from and arrive at the J-Village central roundabout a short distance ahead of the venue.

Since it is difficult to provide a place for loading and unloading luggage, we ask that you bring as little luggage as possible to the venue.

Also, please do not park your car on the road near the venue for loading and unloading luggage.

How to Purchase Stadium Parking Lot Parking Tickets

Parking tickets for the stadium parking lot will be available at LivePocket from 8:00 p.m. on October 5 (Sun.).

Application URL: https://t.livepocket.jp/e/fukushima_parking
First-come-first-served basis.

Parking tickets are free of charge (tickets will be sold for 0 yen).
The number of parking spaces is limited, so each team is limited to two cars.

Although the ticket is a through ticket, it is not possible to leave your car in the parking lot after the end of the first day. You will be asked to leave the parking lot once.

If you are coming by car, please make sure to leave the parking lot after the qualifying round on the first day.

You do not need tickets to ride the buses that go between the venue and the stadium parking lot.

LivePocket will send a parking pass to those who have purchased a ticket.

The parking pass will be sent by LivePocket's e-mail delivery function, so please use

Please set your domain name to receive "@livepocket.jp".

Please print out the parking pass by yourself and write your team name on it.

◆ Please present it on the windshield of your car on the day of the event so that it can be seen from outside the car.
